

# Want to be a high performing leader

who communicates skillfully and handles conflict confidently?

---

Want to be that courageous, skillful leader who powerfully engages in the day to day conflicts, as well as, the difficult conversations that need to take place?

I help leaders powerfully communicate and navigate conflict in a way that supports and helps everybody win.

**My Leadership C.O.R.E. Executive Coaching** is about setting you up to be that kind of leader as you lead or as you build your team.

In my business, I have learned that your business is only as healthy as your relationship and communication with your team. The key to **Kick Ass, In Sync, High Functioning, Harmonious and Happy** to work for your teams is a leader with a strong C.O.R.E.

Communication  
Objectivity  
Resolving Conflicts  
Executing Excellence

## I Work with High-Performing Leaders...

By diagnosing the problem areas, I help you tighten up your C.O.R.E.

### Our C.O.R.E. supports us.

It is the center of everything that we do. In order to operate with confidence, ease and effectiveness, you need a strong set of leadership muscles that can support and strengthen you as you lead your team in building a successful business that will operate strong for a long time.

### If you are struggling with:

- Creating a diverse team that thrives on the challenges and different perspectives that each person brings
- How to create a Performance Improvement plan that empowers people to want to produce better for themselves, you and the company
- Hiring and retaining a team that works well together
- Hosting difficult conversations surrounding diversity and inclusion or ongoing team conflicts
- Building loyalty and longevity

## I can help YOU.

*"Lynne Maureen Hurdle has helped me to listen more and not try to avoid dealing with what I need to look at with myself and my team. I can see one of my team members who is so much happier about the role she plays and we can really communicate about the hard stuff. Lynne did that."*

- **Jennifer Kem,**  
Brand Strategist and Marketing Expert, and the creator of Master Brand

*"Lynne has helped me be a more inclusive leader, who better listens to the diverse views and experiences of each member of the Leadership Team. She has helped [the team] improve the ways we communicate, guiding us into our conflicts, using them as a collaboration tool... It's hard work, but with Lynne's strong hand, deep breaths, and smile we've come a long way."*

- **Joshua Klaris,**  
Executive Director North 10, Philadelphia

*"Lynne, you are masterful at action-based learning and coaching. I've learned so much for you these past few months. Amaaazzzingggg!"*

- **Shawnee Benton-Gibson LMSW/FDLC,**  
Co-Founder and CEO of (S.O.W.) Leadership Development Institute

*"Lynne is a supreme communicator, she meets every situation with a perfect combination of keen intellect and a big, open heart. I have learned so much from her!"*
